

Save the World One Cup of Coffee at a Time (Become a SAGE Ambassador)

Okay, maybe you can't save the whole world, but you can leave your corner of it in better shape than you found it.

Here's how:

- Your role as a SAGE Ambassador is to **facilitate meaningful, one-on-one discussions** with like-minded peers to clarify and affirm how they can help younger and future generations.
- You also highlight pathways for older adults to get involved in causes and nonprofit programs that benefit coming generations, and share some of the rewards of joining SAGE to inspire others to give forward.
- Staff provide you with the resources and contact information you need to facilitate these discussions in cafes, community centers, and other public locales.
 - ✓ Very flexible time commitment. We ask Ambassadors to facilitate 3 or more conversations in a year.

And...**why** serve as a SAGE Ambassador?

- Ambassadors play a pivotal role in **helping SAGE build a community of advocates dedicated to creating opportunity for tomorrow.**
- Together, **we can inspire people** over fifty to apply their experience, wisdom, and resources to strengthen our communities. A strong SAGE will systemically support the entire network of social change organizations and movements in our region.

Why get involved with SAGE?

Here's what some participants say:

"I very much enjoy brainstorming with like-minded Boomers. Maybe we will change the world after all!" - Vici Wolff

*"I have a true sense of the potential for impact on a local level and feel that I can contribute to my community."
- Deb Child*

*"SAGE presents an opportunity to develop one's leadership skills, and at the same time, give to future generations."
- Mike Unger*
