

# Welcome Our Community

## Join our SAGE Greeters

Do you like meeting new people and welcoming them to community events? Then you will enjoy serving as a SAGE Greeter. We host events throughout the year to inspire, support and connect people to give forward. As one of our Greeters, you serve as the initial face of SAGE by welcoming guests to our events, helping them feel included, and thanking them for attending.

Here's how you can help:

- Speak with our Volunteer Coordinator to select one or more events where you can serve as a Greeter. We host events each month and generally involve two or more Greeters at each event. For our larger events, we may have six or more Greeters.
- Arrive before and stay after the event to help with setup and takedown. In general, Greeters arrive an hour early to arrange chairs, set out name badges and handouts, and to welcome guests as they arrive. After the event, Greeters stick around to thank guests for coming, and they help tidy up the venue and organize SAGE's supplies for the next event. SAGE has an easy checklist of things to do before and after the event.
- Each event has its own energy and pace, and the venue and format will change. Our expectation is that you feel comfortable meeting new people, greeting them with a smile and a hand shake, and that you help us create a cordial and supportive atmosphere.
  - ✓ Very flexible time commitment. SAGE hosts events almost every month at different times of day and at different venues. We ask that you commit to serve as a SAGE Greeter for two or more events, if possible.

### Why serve as a SAGE Greeter

*"One of the things I most enjoy about volunteering is the opportunity to meet and connect with new people. Serving as a SAGE Greeter is fun, energizing and a great way to get to know people. It's also a good way to learn more about SAGE and the other roles they offer for volunteers."*
