

Do you have a message to share? Become a Victory Speaker

Some of us would rather face real danger than get up and speak in front of a group. But if you're that rare bird who loves to share your energy and goodwill with a group, being a SAGE Victory Speaker is for you.

SAGE inspires people over 50 to **give forward with their time, money and voice to enable younger and future generations to thrive**. As one of our **Victory Speakers**, you would help us inspire people to give forward!

WHY serve as a SAGE Victory Speaker?

- Speakers play a pivotal role in helping SAGE build a community of advocates dedicated to creating opportunities for tomorrow.
- We'll supply you with all you need to know to inspire your crowd, including toolkits, slides, and handouts.
- You can lead or co-lead one or more informal or formal talks.
 - ✓ Very flexible time commitment. We lead events at almost any time and place. The audience, timing and venue for our talks depend on our hosts interests and needs.
- Together, we can inspire people over fifty to apply their experience, wisdom and resources to strengthen our communities.

EXAMPLES OF PROGRAMS YOU COULD LEAD OR CO-FACILITATE

- **Stewardship Conversations (2 hours)**. Spark conversations about challenges faced by younger and future generations, and ways to make a difference. Explain volunteer roles with nonprofits that promote education, environmental protection and economic security.
- **Generational Jeopardy (1 hour)**. Lead a fun, interactive game on educational, environmental and economic challenges faced by the future.
- **Leading on Climate Change (2 hours)**. Highlight Oregon's leadership role on climate change and ways to work together on this global challenge.
- **Giving Forward Workshop (3 hours)**. Share strategies to serve, give and advocate for coming generations, and help attendees create an action plan to give forward.
- **Civic Engagement in Retirement (2 hours)**. Help participants affirm what they would like to do during retirement, and share examples of meaningful service and advocacy roles.
