- ✓ Recognition by SAGE in annual report

**SAGE is happy to customize a sponsorship proposal based on your needs and priorities.**

\* SAGE and Portland Public Schools will co-present a second online Climate Careers Summit for high school students during the fall of 2021 or the spring of 2022. The Summit has not yet been scheduled, but it will be modeled on the first Summit which attracted over 800 students.

### **How will the sponsorship funds be used?**

The Vision 2030 Team is a collaborative initiative to teach middle and high school students in Clackamas, Multnomah, and Washington counties about climate solutions. This program year, SAGE will use 80% of the sponsorship funds to coordinate the Vision 2030 Team events and activities. SAGE will re-gift 20% of sponsorship funds to the Fund for Portland Public Schools (another public charity) to support climate justice efforts within Portland Public Schools.
